MORGAN HORSES
IN THE MIDWEST

MORGANS & THEIR OWNERS IN THE MIDWEST

Since 1994 Morgan horse owners have been gathering together in the St. Louis area to share camaraderie and promote our beloved breed. Show Me Morgan Horse Club Members' uses for their Morgans differ including trail, show, reenactment and pleasure but their goal is the same: share their enthusiasm for this great breed with others.

ABOUT THE MORGAN HORSE

The Morgan horse played an important role throughout the history of the Midwest including as cavalry mounts and work horses for local farmers. Morgans remain popular today for their hardy work ethic, stylish high-stepping gaits and gentle personality. Morgans excel at all styles of riding and driving thus making them versatile family horses.

YOUTH & MORGANS-SMMHYC

Morgan Horses and kids go together like a hot summer day and a glass of lemonade. Youth members develop a sense of sportsmanship and fair play, learn citizenship skills, master leadership skills, and develop discipline and a sense of responsibility for themselves, their horses, and their club.

The youth club is designed to bring out the best in its members—no matter what their skills or interests. Owning a Morgan horse is not a requirement for membership.

Membership in SMMHYC is open to all young people who have not reached their 22nd birthday as of December 1 of the previous year.
